---

### FULL LED EXPO

The 100% LED lighting exhibition

### FORUMLED EUROPE

The congress / exposition about LED technologies leader in Europe

### FESTI LIGHTING EXPO

The 1st trade fair of festivals and lighting events

**Full LED Expo is the place to put forward your expertise and your products on the only French trade fair exclusively dedicated to LED lighting.**

## A UNIQUE AND PROMISING CONTEXT

---

Lyon, historic city of light, is the 1st French industrial region in the lighting sector. Furthermore, each year, Lyon is the place of the biggest lighting festival in the world.

## AN EXCEPTIONAL PLACE : CITE CENTRE DE CONGRES LYON (France)

---

Created by architect Renzo Piano with its hotels, restaurants, casino and many possibilities for entertainment, the Lyon. Convention Centre is located at the heart of the International City.

At the foot of the hills of Lyon, it offers an impressive view of the Rhône and the 117 hectares of the Tête d'Or natural park.
